**Independent Auditor's Review Report on Unaudited Standalone Financial Results of Pakka Limited ("the Company") pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.**

To

**The Board of Directors of  
Pakka Limited**

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Pakka Limited ("the Company") for the quarter and nine months ended December 31, 2025 ("the Statement"), being submitted by the Company pursuant to the requirements of the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Standalone Financial Results prepared in accordance with applicable Indian Accounting Standards, prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

The Company has investment in an overseas wholly owned subsidiary by way of investment in equity shares. It also has amounts receivable from the subsidiary by way of trade receivables. The said subsidiary has incurred capital expenditure and is in the process of putting up a manufacturing facility through its subsidiary in another jurisdiction. As a part of ongoing strategic review and prudent capital allocation and with a view to strategically prioritise and optimally deploy its financial and managerial resources, the Company has decided to temporarily pause and scale down the expansion activities undertaken by the said subsidiary including through its step-down subsidiary. In the opinion of the Company, the temporary pause and scale down of the expansion activities does not affect the carrying value of the investments and trade receivables and no impairment is considered necessary at this stage. The Company intends to undertake a detailed impairment testing at the year end.

Our opinion on the Unaudited Standalone Financial Results is not modified for the above matter.

### **Emphasis of Matter**

6. The Parent Company has investment in an overseas wholly owned subsidiary by way of investment in equity shares. It also has amounts receivable from the subsidiary by way of trade receivables. The said subsidiary has incurred capital expenditure and is in the process of putting up a manufacturing facility through its subsidiary in another jurisdiction. As a part of ongoing strategic review and prudent capital allocation and with a view to strategically prioritise and optimally deploy its financial and managerial resources, the Parent Company has decided to temporarily pause and scale down the expansion activities undertaken by the said subsidiary including through its step-down subsidiary. The auditors of the said subsidiary Company have issued a disclaimer of opinion on grounds of inability to evaluate the reasonableness of the carrying amount of Capital Work in Progress in the books of the subsidiary including the step-down subsidiary. In the opinion of the Parent Company, the temporary pause and scale down of the expansion activities does not affect the carrying value of the capital work in progress in the books of the subsidiary (including step down subsidiary) and consequentially the carrying value of investments and trade receivables in the books of the Parent Company and no impairment is considered necessary at this stage. The Company intends to undertake a detailed impairment testing at the year end.
